

ONERY
BEST NEVER LIES

THE BEGINNING

ONERY is one of the kind tiles brand to have emerged as a ceramic expert specializing in slimmest tiles. Established in Morbi in the year 2018 our company wishes to enhance the lives of its customers by delivering surface solutions that are extravagant, elegant & efficient in performance.

The top management of our company is a mix of experienced entrepreneurs and dynamic youngsters. Together we strive to make the world a more aesthetically appealing place to live in.

With the true mix of multiple components of management and technology, we back ourselves to produce & supply world class tiles. Our target markets are global & hence the quality we wish to deliver will surpass global standards of style, design, trends and manufacturing value.

Our efforts will be targeted towards making ONERY a world class brand that is preferred as first choice for tiles and ceramic products by all stake holders, namely architects, interiors designers, construction contractors and home owners.
